

Aviation Suppliers Association AS9110C Transition Workshop Agenda

This workshop will provide an overview of ISO 9001:2015/AS9110C as well as a comprehensive understanding of the new standard requirements. This workshop is appropriate for both currently certified organizations and those organizations considering certification to AS9110 in the near future. The presenters for this workshop are Sam O'Connor and George Ringer.

The ASA Certification Body (ASACB) is an ANAB accredited provider of management system registrations to ISO 9001, AS9100, AS9110 and AS9120. ASA provides pre-assessments audits not only to AS9100 Series but also for AS6081 and AS5553.
