Aero Instruments & Avionics receives Boeing Performance Excellence Award

AIA Recognized as Gold Level Supplier for 2009

N. Tonawanda, NY, April 15, 2010: Aero Instruments & Avionics, Inc. announced today that it is the recipient of a 2009 Boeing Performance Excellence Award. The Boeing Company issues the award annually to recognize suppliers who have achieved superior performance on a consistent basis. Aero Instruments & Avionics maintained a Gold composite performance rating for each month of the performance period. This high performance earned Aero the GOLD LEVEL Award; the highest rating possible.

This year, Boeing recognized 486 suppliers who achieved either a Gold or Silver level Boeing Performance Excellence Award. Aero-Instruments & Avionics is one of only 128 suppliers to be awarded the Gold level of recognition.

Aero is proud of the efforts of our technicians and customer service staff who perform at the highest level every day to insure our customers receive the highest quality repairs.
