

# ADVERTISE

## ASA Website Homepage

Gain visibility on the web! The ASA website is a popular landing spot for aviation distributors and others in the aviation industry. Gain visibility by advertising with a banner ad on the homepage.

## The UPDATE Report

is the monthly newsletter of the Aviation Suppliers Association.

It provides comprehensive, up-to-date information on issues that affect ASA's members and the entire aviation industry.

### wide distribution

The UPDATE Report reaches air carriers, repair stations, manufacturers, government officials, consultants and attorneys worldwide.

### primary news outlet

ASA members and industry professionals regard The UPDATE Report as a primary resource on news and events. With in-depth reports on regulations, Unapproved Parts Notifications and the Industry Events Calendar, The UPDATE Report is the intelligence resource for aviation suppliers.
