

MAGELLAN
AVIATION GROUP

Magellan Aviation Group

- Global supplier of aircraft products and services
- Operating out of Charlotte, North Carolina, and Shannon, Ireland, and with satellite offices located all over the world
- We are capable of supporting three segments of the air transport industry: commuter/regional turbo-prop, regional jet, and commercial narrow- and wide-body
- Specialist in engine leasing and trading, across all commercial and regional aircraft for short- and long-term contracts
- We provide economical solutions for our customers and partners within an industry that is constantly plagued by cycles and downturns: Consignments, Repair Management and Technical Services, including MRO management and redelivery.
