Millennials in Aviation

Boyd Parsons

06.25.2018

The children now love luxury; they have bad manners, contempt for authority; they show disrespect for elders and love chatter in place of exercise.

Millennials in Aviation: Who are they and why should we care?

**Millennials
(1981-2000)**

Our Demographics

Millennials aren't lazy or entitled:
They have simply been handed tools
and technology given to them by
Baby Boomers and Generation X,
and they know how to use them to
their advantage.

INTERNET OF THINGS

What is the INTERNET OF THINGS?

Source: Mario Morales, IDC

By 2020, the Internet of Things will have achieved “critical mass”. Linking enormous intelligence in the cloud to billions of mobile devices and having extremely inexpensive sensors and tags embedded in and on everything, will deliver an enormous amount of new value to almost every human being. The full benefits—in terms of health, safety and convenience—will be enormous.
